## Now You Can Do Original Research with One of the Largest Historical Archives Available!

Learn About History's Greatest Events Through Eyewitness Accounts

*Original Sources* gives you instant access to an extensive, continuously increasing collection of over 420,000 e-works of classic, primary source, and general reference materials in 12 subject areas: world history, U.S. history, political science, law, literature, science, mathematics, social science, philosophy, religion, language, and language arts. This vast collection provides the original sources and personal accounts of humankind's social, political, legal, and religious development, as well as some of the greatest discoveries, insights, and literary achievements in the words of the actual authors, discoverers, and innovators. It is a reliable collection of fact-checking resources of history makers' greatest accomplishments—from the dawn of civilization to the present.

Contributors include Madeleine Albright, Henry Ford, John Hancock, Malcolm X, and Edgar Allan Poe. Plus, read Confucius, Dante, and Pasteur, or Thomas Jefferson's account of the signing of the Declaration of Independence. And this only scratches the surface!

### Features & Benefits Include:

- More than 420,000 original documents—many unavailable in any other collection.
- Comprehensive topics that cover all of world history as well as current political documents—speeches, essays, biographies, landmark court decisions, editorials, and more.
- Photos and multimedia that bring the events to life—read and study the first inaugural address of Franklin D. Roosevelt or John F. Kennedy discussing Soviet missiles in Cuba.
- New user interface, responsive design, and improved search capabilities.

# Primary Source Documents in History, Literature, Science, Religion, Politics, and More.
