Reliable, Detailed Information on Today's Most Important Health Topics

*Now better than ever!*

## Library Journal

### Best Database

"Best for High Schoolers"

"...well-organized and easy to navigate...  
**vibrant and engaging.**"—LIBRARY JOURNAL

"...user-friendly...**Recommended.**"—LIBRARY  
MEDIA CONNECTION

"...provides **comprehensive, trustworthy  
health information** in an interface that helps  
users find answers quickly."—VOYA

"...a unique database with deep content with  
great browse searching, good illustrations  
and videos, and useful learning centers...  
**recommend[ed]** for middle and high schools  
as well as for larger public libraries."  
—AMERICAN REFERENCE BOOKS ANNUAL

## Health Reference Center

includes comprehensive, in-depth coverage of body systems, current health issues, major diseases and conditions, treatments, and procedures, as well as health and nutrition information specific to men, women, children, teens, and seniors. Thirty-five Topic Centers highlight specially selected content to help users find a starting point for their studies, and numerous videos and collections of illustrations make it easy to find relevant visual media on the most frequently researched topics.

The authoritative source list features up-to-date, expertly researched and written content from acclaimed sources, including a wealth of proprietary titles—information researchers can trust.

# Health Reference Center

## HIGHLIGHTS AND FEATURES

## Related Key Resources in Each Topic Center—

including videos, images, tables, and data—provide relevant visual material to help explain important or complex topics.

↑ **Editorially Curated Topic Centers:** specially selected content on key areas of health, specific types of diseases and disorders, and other reference topics. These comprehensive Topic Centers provide valuable study guides and entry points into the database.

## Plus—

- **Comprehensive coverage:** a wealth of articles, videos, and illustrations on diseases and timely health topics
- **Daily health news videos:** “Today’s Health” section featuring a new health news video each day from HealthDay TV to help users stay on top of the latest information
- **Videos and illustrations:** 5,000+ informational video clips and 2,500+ searchable color illustrations, many organized into convenient collections
- **Authoritative source list:** a complete inventory, by type, of the extraordinary amount of content in the database
- **Dynamic citations** in MLA, APA, Chicago, and Harvard formats, with EasyBib export functionality
- **Curriculum Tools:** usage and research tips for students and educators
- **In-depth Suggested Reading articles:** handpicked selections that showcase the best resources for each topic and provide guidance for research
- **Searchable** by Canadian provincial and other major educational standards
- Support for Google Sign-In, Save to Google Drive, and Share to Google Classroom
- Detailed information on healthy lifestyle choices, recognizing diseases, and seeking treatment
- Convenient A-to-Z topic lists
- Journal articles from PubMed Central and reference articles from MedlinePlus
- Real-time, searchable Reuters® newsfeed
- Tag “clouds” for all content, linking to related material
- Search Assist technology
- BMI and conversion calculators
- Listing of various hotlines
- Read Aloud tool
- Google Translate
- A variety of integration options and partners, including Schoology, Canvas, and D2L
- Ability for users to set preferences for default language, citation format, and more
- Persistent record links
- Searchable Support Center with live help chat
